Sharing pattern in CSS for Odisha at par with North-Eastern and Himalayan States

1834. SHRI PRASHANTA NANDA:

Will the Minister of FINANCE be pleased to state:
Whether the Union Government will allow the sharing pattern of Centrally Sponsored Schemes (CSS) at par with the North Eastern and Himalayan States for the State of Odisha in view of its vulnerability to frequent natural disasters and having a high percentage of population below poverty line?

ANSWER
MINISTER OF STATE FOR FINANCE
(SHRI PANKAJ CHAUDHARY)

Based on the recommendation of the Sub Group of Chief Ministers and in consultation with various Ministries/ Departments and other Stakeholders, GoI has revised the funding pattern for Centrally Sponsored Scheme (CSSs) which was communicated by NITI Aayog vide it's O.M. No. O-11013/02/2015-CSS & CMC dated 17.08.2016. The funding pattern of the Centrally Sponsored Schemes is as follows:

i. The existing funding pattern will continue for Core of the Core Schemes
ii. For Core Schemes, the funding pattern for the 8 North Eastern States and Himalayan States of Uttarakhand, Himachal Pradesh and Union Territory of Jammu & Kashmir shall be Centre :90% and State :10% whereas for the rest of the States this ration shall be Centre: 60% and State:40%.
iii. For Optional schemes, the funding pattern for the 8 North eastern States and Himalayan States of Uttarakhand, Himachal Pradesh and Union Territory of Jammu & Kashmir shall be Centre :80% and State :20% whereas for the rest of the States this ratio shall be Centre: 50% and State:50%.

Further, in order to ensure that local needs are catered for "flexi funds" under CSS was enhanced from 10% to 25% for States.
There is no proposal to amend funding pattern for Centrally Sponsored Schemes.
